OUR STORY

TIGIFIMEX - Tien Giang Fruit Import and Export Co., Ltd. was established with a positive orientation to bring the taste of Vietnamese tropical freshness to the global market. With a focus on consistency, transparency, and long-term partnerships, we aim to export fresh coconuts, pomelos, durians, limes seedless, guavas, dragon fruit, and more. As a young company, we are driven not by size but by commitment – to quality, to service, and to sustainable growth alongside our partners.

At TIGIFIMEX, we don't just export fruit – we deliver **trust, flavor, and a slice of Vietnam to every corner of the world.**

OUR VISION

Our vision is to become a leading enterprise in the field of fruit export in Vietnam and globally - dedicated to bringing premium-quality Vietnamese agricultural products to the most demanding international markets through excellence, reliability, and innovation.

OUR MISSION

Guided by the motto "Healthy Taste From Nature", we are committed to delivering premium-quality fruits and exceptional service to our customers. We proudly partner with Vietnamese farmers to grow together – empowering local agriculture and elevating the value of Vietnamese produce on the global stage.

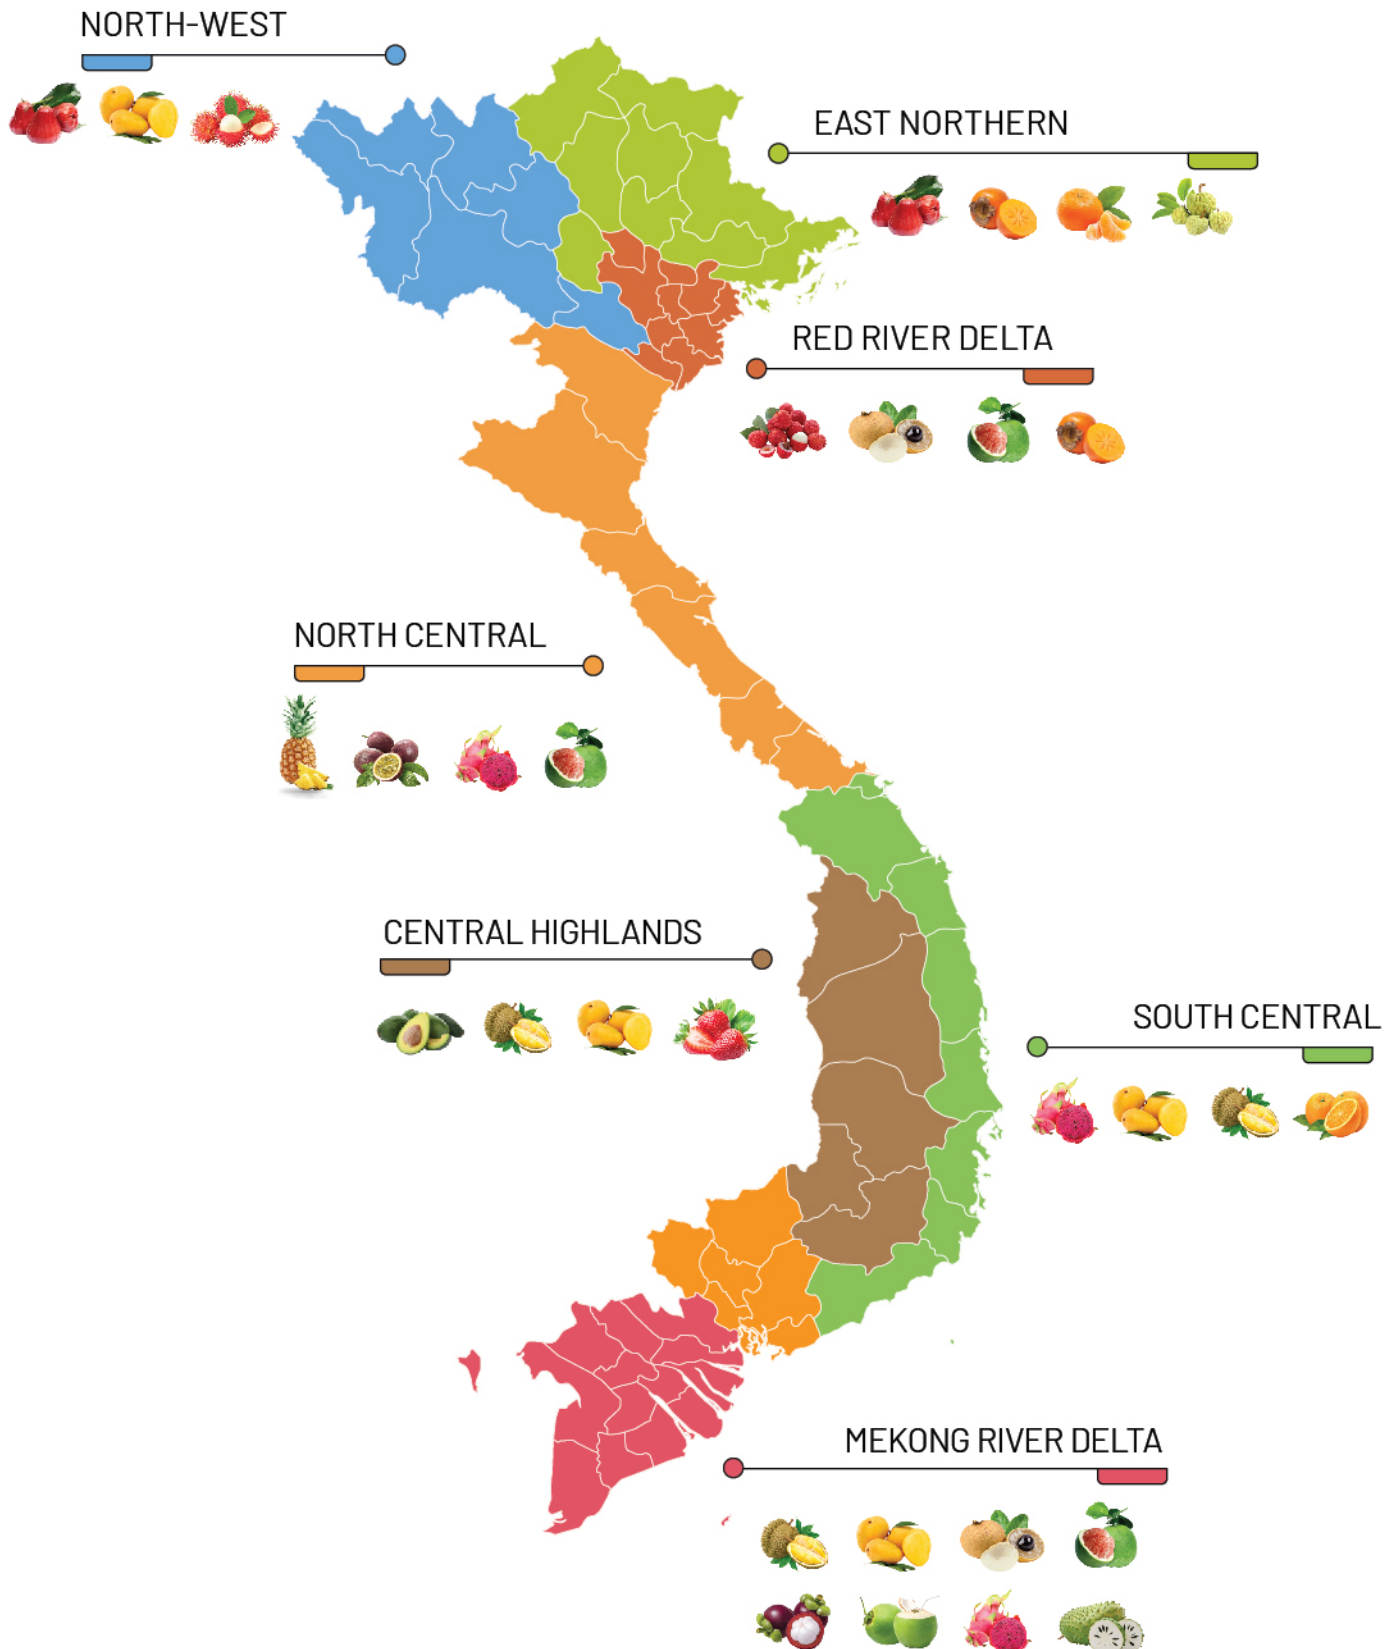

OUR CORE VALUE

- Reputation
- Quality
- Efficiency
- Cooperation

THE FRESH FLAVORS OF VIETNAM

Blessed with a tropical climate, fertile soil, and rich agricultural heritage, Vietnam is home to some of the most vibrant and flavorful fresh fruits in the world. From the lush Mekong Delta to the highlands of the Central region, Vietnamese orchards produce a wide variety of fruits - each bursting with natural sweetness, unique aroma, and nutritional value.
